Content Map

How is the content organized?

Page Wireframes

How are the page elements laid out?

HOME

The HOME page wireframe consists of several elements: a header box with the text 'Content for the Web' and decorative lines; a logo on the left and a 'Website Purpose' box with decorative lines on the right; a 'Projects' section header; and two columns of 'Project' boxes separated by a vertical line.

ABOUT ME (Choose from Mobirise section selections)

The ABOUT ME page wireframe is a vertical stack of four sections: 'Name', 'Photos', 'About me paragraph', and 'some of my favorite work'.

REFERENCE

The REFERENCE page wireframe features a header box with the text 'REFERENCE' and decorative lines, followed by a vertical list of six items. Each item includes a placeholder icon (a square with an 'X') and a box labeled 'App Name' with decorative lines.

Sitemap with Content Sections Diagram

- 1) Create rectangle shapes for each page / linked site and connect with lines and arrows
- 2) Place a rectangle shape for each content section on the page
